Company
Finfare, Inc.

Product
ExtendInsights for NetSuite

5 HOURS saved weekly

20% improved efficiency & productivity

Background

This case study of Finfare, Inc. is based on a survey of CloudExtend customers.

The Challenge

The business challenges that led the profiled company to evaluate and ultimately select ExtendInsights for NetSuite:

- Fully manual approach to working with NetSuite data
- Needed solution for adding new materials in the system
- Looking to streamline the process for changing data entry points

Finfare also evaluated Solution 7 and CData before ultimately selecting ExtendInsights for NetSuite.

Use Cases

The key features and functionalities of CloudExtend that the surveyed company uses include:

- Create, edit, read, and delete NetSuite records
- Downloading saved search results
- Uploading new or edited data to NetSuite with instant validation directly from Excel

Results

The surveyed company achieved the following results with CloudExtend:

- Saved up to 5 hours per week with the help of automation
- Improved efficiency and productivity by up to 20%

The organization uses ExtendInsights to significantly improve their NetSuite data auditing capabilities.

> "
> I love being able to use an interface that I'm familiar with. With ExtendInsights, I don't have to adjust to things being in a different spot when I'm trying to manage the chaos of everyday work.
